

## MILAM COUNTY ANSWERS DRAFT

### LIONS CLUB TO OPEN CARNIVAL ON FRIDAY

It will be hot dogs, hamburgers, pop corn, chuckin' dolls, ducking the man on the hot seat of the Lion's Club Ducking stool, bingo, spinning wheels and fire works and parades in Cameron Friday and Saturday of this week at the annual Lions Club Carnival between the Community Natural Gas Co., and the B. F. Stewart Grocery Co. A feature attraction will be the "Hit Hitler" booth where you may throw 3 times at the Nazi leader. Hit him and win!

The familiar cry of the barkers, music from Swing Bands, color in parades, entertainment with 18 concessions will keep Cameron and Milam County folks milling in and out of the Carnival grounds here this week end and all for the sake of providing a health and recreation program for youth and necessary medical attention to underprivileged youth of this community.

Cameron merchants have responded one hundred per cent to co-operate with the Lions Club in this helpful project with donations of money and merchandise to be used

in the carnival and for financing its cost. Cameron merchants who cooperated last year received a letter from the Lions Club giving account of the use of the funds realized from the carnival. The need is great this year and already many applications are on file for eye glasses, medical treatment, diagnosis, minor operations, etc. Every visitor to the Carnival will have a part in helping the Lions carry on this worthwhile program.

The Friday parade will be held promptly at 6:30 o'clock and the Saturday parade will be held at 6 o'clock. Aerial bombs will signal the starting of the big events of Friday and Saturday.

Saturday the gate will be free. Everyone is admitted without charge. Friday the carnival will have a gate fee in order that tickets may be used for the drawing of prizes.

In the event of rain the carnival will be staged in the vacant building on Main Street between Whatley's Grocery and the Coleman Furniture Co.

To relatives and friends of men registering today for military training, the Milam County Red Cross chapter, extends assurance the Red Cross is making full preparation for expansion to deal with welfare problems of all men who enter service as well as their families at home.

Because the Red Cross is the government's official agency chartered to deal with personal or family problems of men of the army and navy the public will be asked for increased membership support during the organization's annual Roll Call, Nov. 11 to 30, that military, public health, first aid and other National Defense responsibilities of the Red Cross may be met adequately.

Increased staffs of chapter home service workers, and field representatives at training points will assist the men or their dependents in matters of illness, emergencies, material relief, obtaining of information needed by military authorities for furloughs or dependency discharges, advising in business difficulties, obtaining of employment for a member of the family and other problems.

Army hospitals have already asked for more than 4,000 Red Cross nurses to be on duty by next July. The first groups have been called, on September 15, and another October 15; for convalescents, Red Cross "Gray Ladies" will write letters, read books, provide games and other amusements. Red Cross volunteers will make comfort items for hospitalized men.

Among other preparedness measures being taken by the Red Cross our chapters will be expected particularly to train more women and girls in home hygiene and prevention of disease as a civilian safety measure, train additional thousands of first aiders in industries affected by war materials production, increase enrollment in the Red Cross nursing reserve corps and in nurse's aids special courses for training of assistants in civilian hospitals in time of national emergency. In addition, they must continue to produce garments and surgical dressings for use overseas and here at home. This expansion will take into account, also, the continuing need of domestic Red Cross peacetime services.

### FORMER MILAM COUNTY MAN DIES IN AMARILLO

News of the death of Joe Sneed, Jr., at his home in Amarillo was received early today by Dan Tyson, City Secretary and Treasurer.

Mr. Sneed, a former resident of Milam County, was born near Jones Prairie on the Sneed homestead now owned by Mrs. Marvin Sneed of Calvert.

In 1900 with his father, the late J. T. Sneed, he was associated with the Citizens National Bank of Cameron.

At the time of his death he was president of the Texas Cattle Growers Association, Chairman of the Board of Regents of the Texas Technological College of Lubbock and trustee of Southwestern University in Georgetown.

Mr. Sneed, a cousin of Dan Tyson, recently visited in Cameron.

### John C. Andres is Named President of Central Tex. Firemen

John C. Andres was elected President of the Central Texas Volunteer Firemen's Association in the closing session of their Fourteenth Annual Convention held Sunday afternoon in Fredericksburg.

Four hundred firemen from the Central Texas area participated in the all day program.

Mr. Andres has been prominent in the organization for several years and has been President and Secretary of the local Firemen.

### LOCAL CHAIRMEN FOR RED CROSS NAMED

Red Cross Roll Call Chairman, Ray O'Neill announced that appointments had been made for local chairmen in most of the towns and communities in Milam County in preparation for the annual membership drive starting November 11th.

A list of these chairmen follows: Cameron, Chas. Brady. Walkers Creek, Mrs. L. C. Boyd. Belmena, Mrs. Eula Vaughan. Maysfield, Leroy Massengale and Doc Thweatt.

Branchville, Miss Sarah Harlan. Baileyville, Ellison Brothers. Briary, Miss Jewel Wimberly. Jones Prairie, Mrs. Tom Stidham. Clarkson, Mrs. Gus Johns. Vogelsang, Mrs. Will Vogelsang. Burlington, Mrs. Fred Hodges and Miss Mary Gleason.

Ben Arnold, Mrs. J. B. Charnichael. Yarrellton, Clarence Colburn. Buckholts, Miss Jean Adams and Mrs. Cecil Criswell and the Parent Teachers Association.

Tracy, Mrs. Cecil Plate and Mrs. Marvin Charles.

Duncan, Mrs. Charles Duncan. Sharp, Mrs. Paul Bartlett and Rev. Gaines.

Davilla, Clyde Moore.

Lilac, Val Nemeu.

Val Verde, Mrs. U. L. Pierce.

Gause, Joe Moore.

Milano, Lon Peeples.

Marak, Rev. K. Kacer.

Thorndale, Mrs. Davis.

Detmold, Owen Feist.

A few appointments are yet to be made. Mr. O'Neill urged that the public co-operate with these local chairmen in preparation for the coming Roll Call. Contributions this year are vital not only to aid in the National Defense program but are urgently needed by the Milam County chapter to care for increasing demands on its services.

Last year the Milam County Chapter with the limited funds at hand spent almost \$300 in care of the needy. One of the most outstanding accomplishments of the chapter was the help in treating 45 cases of the dread pellagra in Milam County. 93 per cent of these cases were indigent, undernourished white people. This treatment must be continued in these cases or the improvement will be lost.

During the past twelve months the local chapter spent over \$165 in 18 cases where emergency major or minor operations were necessary on indigent persons.

Aside from hospitalization the chapter spent more than \$89 for medicine and X-ray examinations in 20 cases where people were in dire need of treatment. In all of these cases as well as the hospital cases doctors gave their services free and the money went for medicine and supplies.

Mr. O'Neill emphasized the fact that all contributions for more than one dollar remained in the local chapter. That is, if a person gives \$5 then \$4.50 stays in the local chapter to meet the needs of the county.

### Men Who Wish to Enlist Now May Do So With Local Board

All men within the draft age who are eligible for military service are permitted to enlist for one year service by presenting themselves to the local draft board.

This information is printed for those who wish to volunteer because the local recruiting office will not be at liberty hereafter to enlist men for one year period.

The Selective Service law provides for the training of 800,000 men each year and men without dependents or other obligations may volunteer at any time.

### PTA TO MEET THURSDAY AFTERNOON

Dr. Roy G. Reed and Miss Clara Polizzi of the Milam County Health Unit will address the Parent Teachers Association when they meet Thursday afternoon at 3:45 o'clock at the Yoe High Auditorium. The citizenship of Cameron is invited to attend.

### INDICATIONS ARE NUMBER WILL BE BELOW ESTIMATE

### ONLY 2914 SIGN IN MILAM

### FIGURE AMAZINGLY LOW SAY OFFICIALS

Draft board officials as well as those in charge of registration were dumbfounded today when only 2,914 men registered in Milam County for Selective Service.

With a population of 35,000 and poll taxes numbering approximately 6,000 the total number should have been approximately 4,800.

Cameron draft board No. 2 will receive 1,721 cards and board No. 1 at Rockdale will receive 1,193.

Whether registration was complete or whether the population has become so sparse under the government agriculture program were looked to as possible explanations why Milam County's man power is so low.

### APPEAL AND MEDICAL BOARD ARE NAMED

Governor W. Lee O'Daniel Wednesday announced the appointment of medical and appeal boards for the Milam County draft board No. 2, located at Cameron.

Local doctors who will serve the board are Dr. T. E. Crump and Dr. Clifford Swift.

Lawyers who will serve as an appeal board are A. J. Lewis and M. G. Cox.

Like members of the draft board these men will serve without pay.

A registrant who is not satisfied with his classification may appeal to the board and registrants who are being made ready for military service will be ordered to report to the doctors for physical examinations.

### COLUMBUS DAY IS OBSERVED IN CAMERON

Columbus Day was observed by the local Knights of Columbus Sunday commencing with the entire membership going to mass and communion at St. Monica's Catholic Church. Following the services breakfast was served at the Knights of Columbus Hall.

At 7:30 p. m. Sunday a program was presented to the members and their families. Frances Cox and his high school swing band began the program with a concert. Grand Knight of local Knights of Columbus, Rudolph Richter, introduced the master of ceremonies John C. Andres, who is turn presented the speakers.

Fred Joseph of Taylor spoke on the fundamentals of the Order of the Knights of Columbus. The Life and Accomplishments of Christopher Columbus was very ably given by Judge Graham Gillis. Rev. T. F. O'Sullivan of Burlington talked on the dangers of the different isms and stressed the importance of upholding Democracy in our country.

One of the most outstanding speakers of the evening was Senator T. H. McGregor of Austin who spoke principally on the Constitution of the United States. Other out of town visitors were John A. Peninger and Rev. B. T. Brahnigan of Austin and T. J. McLaughlin of Taylor.

### PTA COUNCIL TO MEET

The Milam County Parent Teachers Council will meet in Thorndale on Wednesday, October 23. All members are urged to attend. A covered dish luncheon will be served at noon.

In Cameron its always the Herald.

### REGISTRATION CARDS COMING IN RAPIDLY

Indications today were that Milam County's man power under the Selective Service law through registrations held yesterday will fall short of anticipated numbers.

In the City of Cameron when registration polls closed after 9 o'clock only 567 had registered.

In the office of Homer Nabours, County Clerk, cards were coming in rapidly from all over the county. Mr. Nabours expected to have all cards in hand shortly after 1 p. m. today.

These cards are to be turned over to Milam County's two draft boards. Organization of the boards were completed Tuesday and the go ahead signal will be given sometime during the day when work will start on sorting and numbering these cards.

Mased upon government estimates of registrations to equal 80 per cent of the poll list Cameron should have had 900 to register. In some localities this ratio was maintained and may bring up the average for the county.

Many people who live in Cameron especially laborers, are away working and their cards will be returned to the local draft board.

It was believed that Milam County would have approximately 5,000 registrants.

### Yoemen Will Get Free Trip to Texas A & M-TCU Game

Members of the Yoemen football team are going to get a free trip to the A & M-TCU football game at College Station Saturday afternoon.

The generous one is Stanley Swift of the Swift Theatres who will charter a bus and pay all expenses incident to the trip which of course includes admission to the game.

Members of the B. squad are not included in this trip but all members of the varsity are included.

Mr. Swift and his theatres have scored again in this fine example of good public spirit and he was being toasted by the entire town today because of his willingness to show this extraordinary courtesy to the members of the football team, and to Coach Wood and his staff.

### FIVE CAMERON HOMES BURGLARIZED SUNDAY

Officers here are looking for a large man who wears striped overalls.

He was seen in and near several Cameron homes early Sunday morning when three robberies were reported to City Marshal Gene Smith.

He was seen in the home of Mrs. John A. Smith and her daughter, Inez. They remained in bed and watched the intruder take two purses from a dresser in the room. In the purses were \$5.25. The thief forced entrance to the home by use of an ice pick on a window screen.

A short distance away, a thief, thought to be the same man who entered the Smith home, took two pair of new silk stockings from the home of Mr. and Mrs. Lee Cookston. They did not see the man but reported the robbery next day.

Mrs. Reagan Brady reported to officers that her home had been robbed early Sunday morning and \$9 in cash taken. Officers believe the thief is the same as all these

"Can We Afford to Pray for Britain Against the Axis Powers" will be the subject of a sermon here Sunday morning at the First Presbyterian Church by Rev. O. C. Acrey, pastor. This sermon is another of the series which the Cameron pastor is preaching on the International Crisis at morning and evening services between now and November 11th.

Sunday night's subject is "How Shall We Be Fair to the Axis?"

The pastor received an earnest hearing last Sunday morning on the sermon "How Shall We take Conscription?"

The series will be ended on Sunday November 10th when the American Legion will attend the services at the Presbyterian Church in a body. Preparations are being made for the service to which every veteran and Legion member is invited.

Other sermon subjects will be announced from week to week. The public is cordially invited to attend all the services of the church.

### McClaren Home is Totally Destroyed By Fire Monday

Fire totally destroyed the home of Sherwood McClaren, Jr., at 11:20 p. m. Monday, it was learned by the Daily Herald.

The McClaren home, located in the Marlow community, was partially covered by insurance.

Cameron firemen were called to extinguish the flames, but due to an insufficient amount of water, the home could not be saved.

Mr. and Mrs. McClaren and family were asleep when awakened by smoke which filled their room. They told firemen Monday night that the fire must have been started from a defective flue.

### Convicted in 2 Cases For Soliciting Funds Through Unauthorized Petition; Now in Jail

J. W. Carter of Cameron, arrested on August 6th for circulating an unauthorized petition for money to aid a local family, was found guilty by a jury in Justice Court here Monday and fined \$5 and costs.

The case tried before a jury was prosecuted on complaint of Joe Bailey, Cameron garage owner.

In another case growing out of the same offense, Carter was fined \$10 and costs when tried before Justice Womack Brashear. This case was prosecuted on complaint filed by Chas. C. Smith, Jr.

Carter, having no money, will pay the fines by a jail sentence.

Carter was at the home of a family here during August and paid for his services to set up with a sick man.

When the family discovered that Carter was soliciting funds they warned the public that he was not authorized to do so by giving publication to the notice. Carter then went to Rockdale to continue the solicitation. He was arrested there and lodged in jail but after he had agreed to return the money to those who contributed he was released. So far as known he did not return any of the money and was tried on Monday with two convictions.

### J. W. Carter Held On Robbery Charge

Charges of burglary were filed today against J. W. Carter by City Marshal, Gene Smith.

Carter was convicted in two cases tried Monday for obtaining money by circulating an unauthorized petition.

City Marshal Smith said Carter is being removed to Austin for safe keeping. The offense for which Carter is being held is over the robbery of the John Mode home early Sunday morning.

Clayton Mode who recognized Carter at the scene of the robbery has identified him, according to City Marshal Smith.

Carter is being held also on suspicion of other robberies on the same night. He is serving a jail sentence because of inability to pay fines in two cases in Justice Court.

Mr. Smith has been working on the case for several days and believes he has solved the epidemic of robberies in Cameron during recent months.

Mr. and Mrs. Robert Rogers and baby and mother, Mrs. Gisell Burdick of Houston were Sunday guests in the home of Mr. and Mrs. W. F. Hooker.

## Uncle Sam's Selective Service

(Editor's Note: Below is one installment of a series of questions and answers on the peacetime military training program which has been prepared under the direction of the State Director of Selective Service, J. Watt Page.)

### 1. History and Purpose

1. Q—What is the purpose of the selective service program?

A—The program's purpose is to train a body of reserves capable of meeting any military emergency that may confront this nation, and to select the men for this national duty by the fairest method possible—an enrollment of every man between the ages of 21 and 36, regardless of wealth or influence or social position. From this enrollment the United States Army will choose those men whom it deems best fitted to receive a year's training.

2. Q—Is the selective service program a newly-developed plan?

A—No. The selective service program was put into effect during the World War after the volunteer system of recruiting soldiers had failed to supply the nation's needs. After the war—in 1936—the United States Congress instructed the Army and Navy to work out a comprehensive selective plan, and the program now being put into effect is the result of years of active planning by the nation's military authorities.

3. Q—How many will be affected by the selective service program?

A—Military authorities estimate that approximately 16,500,000 men between the ages of 21 and 36 will be registered under the program in the United States and its territorial possessions. In Texas approximately 900,000 men are expected to register. Approximately 5,000,000 are expected to be available for the training program.

4. Q—Who will administer the program?

A—The President of the United States will name a national director of selective service. In each state the Governor will serve as the coordinating head, and will appoint a

State Director of Selective Service. Governor W. Lee O'Daniel has named Adjutant General J. Watt Page to hold this position in Texas.

5. Q—When will the selective program go into effect?

A—President Roosevelt has issued a call for the registration of all men between the ages of 21 and 36 who are living in the United States and its territorial possessions. This registration will take place on Wednesday, October 16, and the first class of men called will probably begin their training about November 15th.

6. Q—How long will this program last?

A—The present selective service law, just passed by Congress, will remain in effect until May 15, 1945.

### 2. GENERAL PROVISIONS

1. Q—I now have a job. If I am called for training and give up my job, can I get it back after my training is completed?

A—Congress, in the selective law, seeks to insure that men called for training will regain their jobs. If the job is with the Federal government, its return is guaranteed. If the job is with a private employer, it must be returned unless the employer's circumstances have changed so as to make it impossible or unreasonable to do so. If the job is with a state or local government, Congress advises that it be restored.

2. Q—What must I do to get my job back?

A—If you have completed your year's training and are still capable of holding the job which you gave up to enter training, you must make application for re-employment within 40 days after the training is completed.

3. Q—If the employer will not rehire me, what can I do?

A—You can take your case to the U. S. District Attorney who, if he believes you are entitled to re-employment, will file suit in Federal district court against your former employer to force him to rehire you and compensate you for any losses due to his failure to comply with the re-employment provisions of the law. The District Attorney will act as your attorney, and no court costs can be assessed against you.

4. Q—Will I lose my seniority

and benefits such as insurance, by giving up my job to go into training?

A—The law provides that all persons who give up a job to enter training shall be re-employed in the same position, or in a position of like seniority, status and pay, without any loss of seniority or benefits such as insurance.

5. Q—I have already enrolled in college for the school year 1940-41. Will I have to drop out of school to report for training?

A—You can be called for training, but you will not have to report before July 1, 1941, giving you a chance to finish the school year.

6. Q—What will the men called for training be paid?

A—The base pay for those called under the selective service program will be \$21 a month for the first four months, and \$30 per month thereafter.

### 3. REGISTRATION-ADMINISTRATION

1. Q—What is the purpose of the registration under the Selective Service Act?

A—The purpose is to get a complete census of all men between the ages of 21 and 36, with a view to determining which are most eligible for military training.

2. Q—When will the registration take place?

A—The President of the United States has proclaimed Wednesday, October 16, as national registration day. Registration booths will be open from 7 a. m. until 9 p. m.

3. Q—Where will the registration booths be located?

A—Each registrant will report to his usual voting box where he will be registered. Customary polling places are being used for registration because the public is familiar with their location.

4. Q—Who will be in charge of the registration?

A—The Governor of each state will be the directing head of the registration, but the key men will be the county clerks.

5. Q—How will the registrars at each polling place be selected?

A—The presiding judge and judges for each voting precinct as provided by the County Commissioners' Court are the registrars. The county clerk will appoint enough additional help-

ers to complete the registration in one day.

6. Q—Will these registrars be paid?

A—No. They will not be paid. It is the consensus of opinion that the election personnel should be willing to contribute one day's service to the national defense program.

7. Q—Where will the registrars get their instructions and their materials for registration day?

A—The Governor will forward to each county clerk sufficient supplies and instructions for the registration. The clerk will then hold an instruction school for the chief registrars from each precinct, and these chief registrars will in turn instruct the assisting registrars.

8. Q—How many registrants can one registrar handle between 7 a. m. and 9 p. m. on registration day?

A—Experience has proven that it will take an average of 20 minutes per registrant, therefore the average number of registrants one person can handle will be about 30 during the day. Presiding judges will make sure they have sufficient helpers to take care of the registration for each voting precinct.

9. Q—Will the results of the registration be reported?

A—Yes. Local registrars will report results to the county clerk who will relay them to the Governor. When all returns are in, the Governor will make his report to the National Director of Selective Service in Washington, D. C.

## CAMERON BULLDOGS DEFEAT GEORGETOWN

Cameron's Bulldogs from the O. J. Thomas High School won a hard fought game from the Georgetown Black Eagles Thursday night on Yoemen field, 12 to 6.

The Bulldogs were quick to capitalize on weak spots in the Georgetown line and costly fumbles of the Eagles to push over a touchdown from the two yard line early in the first quarter.

The Bulldogs scored again in the second quarter to make the score 12 to 0 as the half ended. When the second quarter got under way the Eagles displayed power not shown in the first half and began a passing game that kept the Bulldogs back in their own territory much of the quarter. On a long pass, 35 yards, the Eagles scored their lone touchdown. After that it was a battle with both sides making little progress.

The game sponsored by the Lions Club was one of the best seen here. City Marshal Gene Smith had made all preparations for policing the grounds and all white boys were kept in the stands.

At the half the Georgetown drum and bugle corps put on a good demonstration and this was followed by the Bulldog band and pep squads.

The O. J. Thomas school now has a drum and bugle corps and a pep squad in uniform. The band wore

white and the pep squad purple and gold, school colors. Both organizations were cheered by spectators. It was their first appearance and with the field and all its privileges reserved for the negroes they made the most of it and demonstrated their grasp of modern day football festivity.

City Marshal Smith is being commended as well as the Lions Club for the manner in which all appointments of the game were carried out.

## CHRISTIAN SCIENCE SERVICES

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Oct. 20. The Golden Text is: "Walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweet-smelling savour" (Ephesians 5:2.)  
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "If any man speak, let him speak as the oracles of God; if any man ministers, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion for ever and ever." (I Peter 4:11.)  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If Truth is overcoming error in your daily walk and conversation, you can finally say, I have fought a good fight . . . I have kept the faith, because you are a better man." (page 21.)

## BURGLERS

(Continued from page one)

Early Sunday morning Ruth Powell, daughter of Mr. and Mrs. B. E. Powell, in the same neighborhood, waked to discover a large man in her room and screamed. Her parents were awakened and called officers. Ruth said the man escaped through the front door.

The man entered the home of John Mode but was frightened away. He was seen by Clayton Mode as he walked to the Woolley home across the street. He did not enter the Woolley home but instead went to the Stedman apartments. Mr. Mode armed himself with an axe and waited, thinking the man might return.

Mr. Mode returned to bed and to sleep and when he awakened Sunday morning he found his trousers near the front door. The pockets had been searched. Some money had been placed under a hat on the table and the thief did not find it. Mr. Mode said the man returned to his home after being frightened away.

No details have yet been obtained from officers. Burglaries have been occurring here frequently but no arrests have been made.

Residents of the NYA home had a call from a burglar also. City Marshal Gene Smith, called to the home, spent considerable time there trying to catch the chief. Across the street the burglar entered the Mrs. W. T. Hefley home but so far as known nothing was taken from the home.

## HOYTE H. D. CLUB MEETS

The Hoyte H. D. club met Thursday, September 26th in the home of Mrs. Randolph Williamson with Mrs. James Elrod presiding. A ten minute recreation period was spent singing songs before the club was called to order. A report from the last council meeting was given by Mrs. Harvey Radtke. She explained the plan of demonstration to be given at the Rockdale fair by the clubs in the county. The Hoyte club will make a mattress. Mrs. Bill Storey was elected Parliamentarian for the next year. Mrs. Leo Heitman, president elect for 1941, read a list of the communities. Plans were made for a 42 party to be given on October 7th at the Odd Fellows Hall. Hoyte's motto for "a bigger and better club" seems to be helping as we accepted a new member, Mrs. T. J. Favors. For the last three meetings we have had six new members to join. Mrs. Elrod gave a very interesting paper on "The Tennant and His Home." Mrs. Jimmie Angell gave "How Every One Can Own a Home." Mrs. H. N. Tate gave "A recipe for Making A Home." All three programs were thoroughly enjoyed by the members. Just after the club adjourned Randy Williamson came in pulling his wagon full of gifts and stopped in front of Mrs. Elrod. The shower of lovely and useful gifts was very much of a surprise to her and given by the club members in appreciation of the hard work and loyalty to the club during her two years as president. The club had only six members at the beginning of her term, now there are twenty-two members. During her two years of service she has never missed a meeting. The hostess assisted by her mother, Mrs. J. F. Howard served sandwiches, pear salad, cookies and punch.

Mrs. Hood Caldwell of Bethlehem was a business visitor in Cameron Saturday.

## CARD OF THANKS

We are deeply grateful to our neighbors and friends who assisted us during our recent great sorrow. We especially thank the doctors and nurses at the hospital who were so faithful in administering to our loved one and we thank those who gave flowers and all who in any way helped us to bear the burden of so great a bereavement. We will hold in grateful memory each one who came to us with words of sympathy and understanding of the grief that weighed so heavily upon us.

## ACTION MAY BRING WAR INTO FAR EAST

Japan was ready today to bomb the Burma Road with air concentrations from French-Indo China.

Two thousand American trucks were loaded with war supplies and ready to move out along the tortuous route into the heart of China with vital war supplies.

Great Britain ordered the re-opening of the Burma Road at noon today. It was expected the re-opening of this supply line to the Chinese armies would bring about a most immediate war between Britain and Japan as well as the United States.

Vast quantities of war materials shipped from the United States to

Chinese armies are said to have accumulated, awaiting the opening of the Road which runs through ancient Burma into the Chinese empire.

The Japs say they will bomb only the Chinese end of the Road.

Spain came into the war picture again today when it was reported the country may give Spanish air and naval bases to the Axis Powers.

Nazi Germany today had relaxed somewhat in its air bombing of the British Isles and London while the Royal Air Force of Britain blasted military objectives throughout Germany.

The Red Star, official organ of the Soviet army, today openly stated that the German attack on England had failed and the British not only have succeeded in defending the British Isles but are actually carrying the war into the Reich.

## UNCLE SAM IS BEING FOOLED BY DICTATORS

Rumors of another sensational coup by Hitler and Mussolini came today when Soviet Russia permitted widespread attacks on England and the United States in the press and there was open claim that Soviet-Japanese relations may shortly be improved.

One source today said a non-aggression pact between Japan and Russia may be signed in answer to the United States far eastern policy.

Any attempt to get Russia to desert the Nazi cause has failed. There was belief that Russia may soon become an open member of the Axis alliance and thus war on England and the United States.

Uncle Sam continues to play the role of the world's prize sucker. Vast quantities of machine tools, put under ban to other nations, have been released to Russia. These tools will be used to manufacture munitions of war to kill Americans and British.

The United States was reported to be arranging facilities for the export of oil and gasoline to Russia. The Soviet could release to Germany and Italy its own reserves and recoup from the United States, under a system that goes along without understandings.

The Soviet newspapers charged that the United States now have vast quantities of tanks, planes and munitions stored in the Philippines for transport to China when the Burma road is opened.

The war situation became more complicated and dangerous as the Democracies faced another powerful foe, that of Soviet Russia. It was practically a certainty that the Russian government under Joseph Stalin would not come into any position of co-operation with Britain or the United States.

The government of Turkey, although sending a warning to the Germans that two million bayonets are standing guard over the near east approach to the Suez Canal. Little importance is attached to this warning. An envoy of the Turkish government was sent to Moscow today. This was taken to indicate that Turkey will be forced to give way to German and Italian marches through the Balkans.

The war on the whole is one between two philosophies and it is not to be expected that Russia would line up with the Democracies and Turkey would not be expected to do so no matter what her alliance may be with Britain.

At the proper time Russia will

force Turkey to give way to Hitler and the dictators will march on.

## Homer Nabours Does Fine Job Arranging For Registrations

County Clerk, Homer Nabours, is to be congratulated on a fine job of preparation for the registration of Milam County's manpower on Wednesday.

On Saturday Mr. Nabours held a conference with election managers in District Court Room to carefully plan the details of the work and to give instructions.

Mr. Nabours has been very busy and these responsibilities have weighed heavily upon him. He has even delivered United States flags to localities where none was available. Regulations provide that flags shall be displayed at each registration place tomorrow.

Under the terms of the act division of the county is made at state headquarters.

When Mr. Nabours received notice on Monday defining the jurisdiction of the two boards he found that board No. 1 which is located in Rockdale had been given Justice Precincts 1, 2 and 3 and the remainder of the county had been allocated to board No. 2 in Cameron.

This arrangement meant that the City of Cameron was to be under the jurisdiction of the Rockdale board and the City of Rockdale under the jurisdiction of the Cameron board.

Mr. Nabours got in touch with Selective Service headquarters in Austin and succeeded in his efforts to re-distribute the territory.

The county is now divided as it should be with Commissioner precincts 1 and 2 under jurisdiction of the Cameron board and Commissioner precincts 3 and 4 under the jurisdiction of the Rockdale board.

This division with the exception of Marlow, Rice School house, and Minerva means substantially that the river is the dividing line.

Mr. Nabours has had the assistance of his efficient office force, Miss Christine Kubecka and Miss Bessie Dunham.

## PASSING GAME LOOKS GOOD IN EAGLE GAME

Playing the famous razzle-dazzle game of football made famous in the Southwest, the Yoemen on Friday night, after a lapse of defense when Georgetown scored their lone touchdown, came through to win 27 to 7.

It was the second conference game of the year for the Yoemen and their second win of the year, having previously defeated the Rockdale Tigers 7 to 2.

The Yoemen scored on a pass from Hays to Aranda in the early stage of the first quarter after a down field march to the Eagle goal line. A few minutes later the Eagles, forced to kick, sent a long one down to the Yoemen goal. Bobby Hays, quarterback touched the ball instead of letting it roll over the goal. It was pounced upon by an Eagle and from the one foot line the touchdown was made.

The second touchdown of the game came when Hays went around his own right end for 12 yards.

The most thrilling play of the game came when Captain Cecil Tindall, took a relay from Hays behind his own 45 yard line and raced 55 yards around end for a touchdown. Not one Eagle touched the sprinting captain.

Charlie Kunz scored the fourth touchdown when he took a pass from Hays to scamper across for the final score.

Georgetown was effective only at intervals. Their passing was accurate but receivers failed to fit in with a fine bit of chunking.

Kunz was hurt in the first quarter but remained in the game.

## Registration Gets Underway Here

Frank S. Lesovsky, in charge of local registration, was making rapid headway with 45 employees and indications were a record would be made.

Registration places will remain open as long as registrants are on hand regardless of the announced 9 p. m. closing time.

## BRITISH DEFENSES ARE GRAVELY DEFICIENT

British resistance is breaking down, is the claim of Nazi Germany, based upon the ease with which bombers are devastating London and all parts of the British Isles.

Aerial warfare has increased in intensity to exceed anything heretofore known.

British anti-aircraft defenses are failing to give London and other parts of Britain the protection that featured home defenses in the early stages of the German blitzkrieg from the air.

This gives rise to speculation whether England can long endure the German mass assault.

In Africa Italy claims significant advances and on the whole the war situation was dark for Britain.

Turkey today would neither confirm or deny that a military alliance with Russia is in the making. Turkey already has a non-aggression pact with Russia.

The situation in the Balkans remained unchanged but increased concentration of Russian fighting units increased the belief that a momentous decision may be at hand.

Few believe that Russia would join actively with Germany and many feel that such a course will be taken. There was same indication that Russia might break with Germany over the Balkan invasion but today this seemed more remote.

## Bull dogs Show Class In Win Over Black Eagles Thursday

The O. J. Thomas Bulldogs defeated the Georgetown Eagles here Thursday night before a crowd of approximately 600 fans by a score of 13-6 in a thrilling game sponsored by the Cameron Lions Club.

Captain Heard, Gipson and Anderson put the Bulldogs in scoring position in the middle of first period after three sustained drives. In the second quarter Reeves returned a Georgetown punt to the Eagles 8 yard line. On the next play Gipson carried over for the Bulldogs second tally. The Bulldogs were penetrating the Eagles goal line at the end of the half.

Georgetown's score came in the 4th period on a long pass well over the head of Captain Heard.

Anderson and Gipson stood out on defense for the Bulldogs. Reeves displayed superb kicking for the Cameronites. Whiteside saved an Eagle touchdown by intercepting an Eagle pass on the Bulldog's forty.

The entire high school thanks City Marshal Gene Smith for the splendid order they received at the game Thursday night.

The school drum corps made its first performance at the court house Thursday afternoon after being organized one week ago by D. R. Cole, English teacher.

## Transport Drivers Asked to Turn in Contracts and Bonds

All drivers who transport students for State Aid districts are reminded by Mrs. Guy T. Newton to turn in to the County Superintendent's office contracts and bonds and report of students transported.

A report must go to the State Department at the end of the second month this year instead of at the end of the fifth month as heretofore, and these reports must be accompanied by bonds, contracts, highway patrol men's reports and all necessary data regarding the children who have moved into the district since April 1, or who were overlooked when census was taken.

The State will allow no money unless all these requirements are met.

## "Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

## DISEASE CLINIC FOR COUNTY IS APPROVED

The Milam County Medical Society unanimously approved the Venereal Disease Control Program to be sponsored by the Milam County Health Unit and the State Health Department.

The Program was explained to the Society by Dr. Roy G. Reed, Director of the Unit.

Plans for a Venereal Disease treatment clinic consists of one nurse for the clinic and field work on venereal diseases contacts and cases. Two part-time clinicians who will be local physicians will be in direct charge of the treatment clinic with Dr. Reed as administrative director.

The clinic is for the treatment of the underprivileged patient who might have contracted a disease.

Any one desiring a Wassermann test may come to the clinic for one, but all positive cases must be referred to the clinic for treatment by the family physician.

The two local physicians to be the clinicians have not yet been selected. Neither has a definite date for opening the clinic been set. It

is hoped the final arrangements may soon be made for the opening of a model venereal disease clinic in the Unit offices at Cameron and the clinic functioning by the first week in November.

## YUGOSLAVIA TO FIGHT ANY INVASION ATTEMPT

Momentous decisions were in the air today as reports came that Soviet Russia would in all probability decide within two days whether the country would remain neutral or side with the Democracies or with Germany, Italy and Japan.

Yugoslavia already tied with a military assistance pact with Russia served notice on the world that she would fight to the finish and this was taken to indicate that Russia may have had this notice in advance of any decision as to whether the Soviet would throw their strength in the war.

Turkey had sent a representative to Moscow three days ago.

Greece was mobilizing her armies on the Albanian frontier where Italy is reported to have a sizeable army for an invasion.

Russia was making vast military concentrations on the borders of Rumania and was making efforts to establish strong naval bases in the Black Sea off the coast of Rumania.

German troops are in possession of Bucharest, the Rumania capital. Whether Russia considers the German invasion an attempt to over run the Balkans was not forthcoming. The Russian concentration may indicate a movement of an important nature.

Turkey several days ago served notice that she would fight any attempt on the part of Germany or Italy to force passage to the Suez canal zone through the near east.

Yugoslavia across the Adriatic sea from Italy has a standing army of four million men and is not friendly to Italy or Germany.

If Russia should throw her lot with the Democracies it would no doubt turn the immediate tide of the war. If Russia elects to fight with Germany, Italy and Japan the position of Britain and the United States would be precarious and would entail sacrifices hitherto unknown in warfare.

In Washington efforts have been in progress for sometime to bring about a better understanding with Russia.

Until Russia jumps there is little to indicate any change in the war except a drive in Africa where German troops are already in action.

## THE RECORD... Facts That Concern You

No. 23 of a series

## WOULD YOU CUT DOWN THE APPLE TREE?

You'll probably find a few bad apples in a bushel of good ones. That's the way it is with beer retailing in America.

There are hundreds of thousands of wholesome, law-abiding beer retail establishments that sell good beer—the refreshing, appetizing beverage of moderation. At the same time, there is a handful of undesirable, anti-social taverns. Unfortunately, these few outlaw establishments bring discredit to the entire beer industry.

To protect your right to drink good beer, the Brewing Industry wants such anti-social retailers eliminated entirely. It has instituted a "clean-up or close-up" program—now in effect in some states and being extended.

We'd like you to know about this socially important program. May we tell you about it in an interesting free booklet? Write: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

## SOUTHERN SELECT IS BETTER 3 Ways

Writes Restaurant Owner

This is Earl Abel, Prominent San Antonio Restaurant Man

## TELLS WHY PATRONS SWITCH TO THIS BEER

A restaurant man has an opportunity to observe tastes in beer. Read what Earl Abel says about the demand for Southern Select in his popular eating places:

"Many of my patrons order Southern Select, but once in a while someone won't be sure what brand he does want. Then I get him to make the 3-way test between Southern Select and any other beer. Invariably he will agree that Southern Select has a more delicate aroma, finer flavor and a complete absence of after-taste. Yes sir, Southern Select is better 3 ways."

Southern Select is the only beer in the South brewed with distilled water, only finest all-grain ingredients are used and every drop is aged for months. It's great beer!
